Individual institutions also accept English Language at Level 4 for admission. The general admission requirements of individual Australian universities and institutions for HKDSE holders are available on the Hong Kong Examinations and Assessment Authority website. Students are advised to check with the individual institutions for detailed admission requirements. The first semester usually commences in late February or early March, but it is also possible to enrol in some courses in July.</li> </ul>																				

- **大學基礎課程** - 學生可先修讀大學基礎課程，然後銜接當地大學。大學基礎課程是為海外學生而設，課程內容針對大學學科而設計，使學生對將來在大學所讀的科目有基本概念。英文為必修科目，旨在增強學生的英語能力。學生無需參加公開考試，主要以學生校內的功課、出席率、測驗、考試等來評核學生成績。
- **職業教育與培訓課程 (VET)** - 學生可選擇由澳洲的公立專科技術學院 (Technical and Further Education, 簡稱TAFE)、註冊培訓機構 (Registered Training Organizations), 以及多所大學及中學提供的職業教育與培訓課程。這些課程都著重實用及專業職業訓練，程度由學徒課程、證書及文憑課程，以至學位課程不等，而課程範圍亦極為廣泛。澳洲大部分VET課程均與個別大學建立了學分轉移制度，畢業生可入讀聯繫大學所開辦的學位課程。一般VET課程開學時間為二月及七月，但有些科目也會在十月開學。
- **Foundation Studies** - Foundation Studies is another pathway to undergraduate study at universities in Australia. Foundation Studies are designed for international students. It is based on the undergraduate programs offered at Australian universities, providing them with a better understanding and foundation of the subjects they will study. English language is compulsory in the programs to strengthen students' English language skills. Students are not required to sit for the public examination but are assessed by their assignments, attendance and examinations during the programs.
- **Vocational Education and Training (VET)** - VET courses are practical and professional courses with a wide range of disciplines that can also lead to pathways to undergraduate study at universities in Australia. Australian Technical and Further Education (TAFE) providers, Registered Training Organisations (RTOs) and a number of universities and schools provide vocational courses ranged from apprenticeship programs to Certificates, Diplomas, Advanced Diplomas and even selected degrees. Many VET institutions have also established credit transfer arrangements with particular universities so graduates can enrol in the higher education programs after completing the VET courses. Courses usually commence in February and July each year, with some commencing in October.
